Govt. of India, Trademark Registry sanctioned certificate of trademark

Visakhapatnam, July 27: Vistarana info brand is ready to serve the public for solving day-to-day problems facing others, offices, and authorities. Vistarana Mass Communication Society has developed this logo with the name Vistarana info after 14 years of research on the Mass Communication subject.

Recently Govt. of India, Trademark Registry sanctioned a trademark certificate for this logo for doing business. The logo tagline is "...Your Mass Communicator". This research observed that a lot of communication gap is there between officials and the public. Vistarana info trademark gets registration under trademark class 41 services pertaining to all forms of education of persons or training of presentation of works of literature or visual art to the for educational or cultural purposes. The public is suffering with written or verbal communication for solving problems. This is called information poverty as per the mass communication study. Vistarana info is providing

Information Education and Communication to the public who need help and doing service with nominal charges. We are solving problems of the public any kind of personal, long pending cases, with Govt. or any Authority.

On this occasion Journo K.V.R.Prasad, Founder and Chief Mass Communicator, VMCS told that we have arranged LPG gas public liability insurance for 10 persons in Andhra Pradesh by providing information and writing a letter. We have vacated bad tenants from two hops in Visakhapatnam. Provided drafting services to so many persons on different issues. Contact us for Banking Ombudsman, Electricity Ombudsman, Insurance Ombudsman, RTI filing and various acts. We are providing letters and agreement drafting professional services under this brand for avoiding future complications.

If anyone suffering from problems they may contact on our **whatsapp Number** 9666408002 or e-mail: ****.
